Watch a video with the sound off or listen with your eyes closed.

What do you notice?

Do all parts of a plant smell the same?

Tell us about it!

Try eating a favorite food while plugging your nose.

Does it change the taste?

Read something about a person that experiences the world differently from you.

What did you learn?

Spend time using each of
your hands to color the butterfly wings.
What differences do you notice?

Need reading inspiration?
